Reference: *Abdulkareem Abdulrahman Ali Almanea*

I have known the above-named candidate since 1426H as my student in the Department of English, Faculty of Languages and Translation, King Khalid University, Abha.

Abdulkareem has been a good student who consistently did well in all the courses he took during his undergraduate career. He had a keen interest in the English language and his work has always shown signs of genuine perseverance and devotion to scholarship. Throughout he proved to be a self-motivated and disciplined student. It is to his credit that his GPA has reached 3.9 (out of 5), which is adequate testimony to his admirable academic record.

Abdulkareem is a young man of fine character. He is a considerate, highly disciplined and diligent person. I have no doubt that he will make the best of any opportunity to work and/or pursue graduate studies. I recommend him to you with pleasure and confidence.
