To Whom it May Concern

I have the pleasure to write this letter of recommendation in support of **Mr. Almanea, Abdulhakeem Abdulrahman Ali**. This gentleman was a student at the Department of English, King Khalid University and he graduated in 2011.

Mr. Almanea is a smart and highly cooperative guy. He is an excellent student, and he has very good communication skills. Furthermore, **Mr. Almanea** is highly ambitious and highly motivated person. I strongly believe he is quite promising in his future studies.
